**Board Room**

## Minutes

**Representatives Present:** Debbie Yaeger (Live Oak Child Dev.), Lupe Vela (GoKids), Rebecca Daniel-Burke (PACE APP), Kathy Mello (HRA), Lexy Montgomery (PACE APP), Larry Drury (GoKids), Sita Moon (SCCOE), Yolanda Santiago (Campus Kids Connection), Eric Hoffman (Cabrillo), Jody Pemberton (Head Start), Kathy Lathrop (PVUSD).

### **I. Introductions**

Ellen Ortiz called the meeting to order at 9:10. All present introduced themselves.

### **II. AB212 program check-in**

Hiranya Brewer announced that 93 CDE staff have submitted applications for stipends. Applications will be processed and stipends distributed by the end of June.

### **III. Ideas for meeting our LPC mandate to facilitate the coordination of part-day programs, including State Preschool and Head Start, with other child care and development services to provide full-day child care.**

Ellen proposed that the Centralized Eligibility List (CEL) could help to facilitate coordination of part-day programs. If programs such as Head Start fully participate this will be a real advantage in accomplishing this goal. The CEL will allow us to keep families on the list as enrolled (in State Preschool for example) but also looking for part time wrap around care. Hiranya suggested that there be a CEL presentation made to the Planning Council in the Fall. After the CEL trainings in late June, then there will be one or two follow-up meeting to discuss larger implications and possibly to be followed by quarterly oversight meetings (every 3<sup>rd</sup> SPC meeting?). This is one way the Planning Council could participate in facilitating the coordination of part-day programs.

### **IV. Centralized Eligibility List**

See "Annotated list of discussion items" for topics discussed.

**Next meeting date:** September 6, 9-10:30am @ COE Ocean/Pacific Room
